### **Six Hat Thinking: Bear (F-1)**

You will need a rather big bear for this learning task. Arrange students in groups and if possible, have a scribe to record their answers.

1. List facts about this bear.
2. What are the best features about the bear?
3. What are the drawbacks of the bear?
4. How do you feel about the bear?
5. In what ways could you improve the bear so that it would be even more fun to play with? Be as creative as you wish.
6. What hats did we use to deepen how thinking about the bear?  
(Critical thinking: white, yellow, black, blue)  
(Creative thinking: green hat)  
(Caring/feeling thinking: red hat)
