

Learner and Teacher Agency

Six Hat Review of a Teaching & Learning Unit (using De Bono's Six Hat model).

Instructions

This review is to be completed thoughtfully and carefully, in complete sentences and proper paragraphs.

Questions

1. What were three important things that you learned in this Unit during the semester?
2. What were the advantages of the Unit? (Here you might like to discuss the lessons which you found the most useful or the most fun.)
3. What were the drawbacks of the Unit? (Here you might like to discuss the lessons which you found the least useful or quite boring.)
4. What were your feelings about the Unit? (Here you might like to discuss how you felt about the subject and how you felt in the classroom.)
5. In what ways could the Unit be improved? (Try to be as constructive as you can.)
6. Assess your progress as a thinker and learner. In what ways did you make progress? What areas/skills need further work?

J. Farrall, 2000
